

What We Do

Our Society's members continue to pursue activities and programmes which ensure that we remain relevant and resourceful in an ever-changing time and climate.

We are proud to carry on the vision a few gardeners had in 1914 - that of a Horticultural Society which would promote, and contribute to, the Beautification of the Thornhill community.

Thornhill Garden and Horticultural Society

Beautifying Thornhill Since 1914

Who We Are

Our members have a common interest in gardening and the greening of our community through various horticultural activities.

We enhance the beauty of Thornhill by:
>> Planting and maintaining several parks and gardens in the community.
>> Holding monthly meetings, with expert speakers, where our members and guests can share ideas, broaden their horticultural knowledge and find answers to their gardening questions.

>> Hosting annual Community events, which may include the Thornhill Front Garden Recognition Programme, a Garden Tour, 2 Plant Sales, a Floral Arrangement workshop and a Members' Appreciation celebration.
>> Support is also given to the Richard A. Jarrell Memorial Garden at the Thornhill Village Library.
>> Annual Scholarships are available to Thornhill students enrolled in post-secondary Horticultural / Environmental programmes.

Save the Date!

Our general meetings,
with great guest speakers,
are held on the
3rd Wednesday of each month
